

A handwriting practice sheet on a grid background, divided into four sections by vertical lines. Each section contains five rows of circles. The circles are arranged in a regular grid pattern. The shading of the circles varies by row and section, creating a sequence of patterns. The first section has rows of shaded circles, unshaded circles, unshaded circles, unshaded circles, and shaded circles. The second section has rows of unshaded circles, shaded circles, shaded circles, unshaded circles, and shaded circles. The third section has rows of shaded circles, unshaded circles, unshaded circles, unshaded circles, and shaded circles. The fourth section has rows of shaded circles, unshaded circles, unshaded circles, unshaded circles, and shaded circles.

A series of 18 horizontal rows on a grid background, each containing a sequence of circles. The circles are arranged in a regular pattern across the rows. Some circles are filled with diagonal hatching, while others are empty. The sequence of hatched and empty circles varies across the rows, creating a rhythmic pattern. For example, the first row starts with 5 empty circles, followed by 1 hatched, 2 empty, 1 hatched, 2 empty, and 5 hatched circles. The second row starts with 5 hatched circles, followed by 2 empty, 1 hatched, 2 empty, and 5 hatched circles. This pattern repeats with different starting points and sequences of hatched and empty circles throughout the page.

Block I ④/5

Handwriting practice sheet on grid paper with four sets of three-line guides. Each set contains five rows of circles. The circles are arranged in a sequence: 4 shaded, 4 unshaded, 4 shaded, 4 unshaded, 4 shaded, 4 unshaded, 4 shaded, 4 unshaded, 4 shaded, 4 unshaded, 4 shaded, 4 unshaded, 4 shaded, 4 unshaded, 4 shaded, 4 unshaded. The shading pattern is consistent across all sets.

Block I ⑤/5

Handwritten practice on grid paper with 18 rows. The first 14 rows are grouped into two sets of seven rows each. Each row contains 15 circles. The circles in the first 10 rows of each set are shaded with diagonal lines. The 11th and 12th rows of each set contain a mix of shaded and unshaded circles. The last four rows (rows 15-18) are separated from the rest by a vertical line and contain a mix of shaded and unshaded circles.
